A GUIDELINES FOR IMPLEMENTATION

These guidelines have been framed to provide clarity and guidance while exercising the power to expedite the implementation of policies and activities of the organisation for enhancing efficiency, quick decision-making process, delineation of accountability and responsibility thereof. The exercise of the financial powers shall be subject to availability of adequate budget provision and to fulfilling the relevant rules and regulations governing such sanctions and approval.

1 Interpretation

The Management shall be the competent authority to interpret the provisions of this Delegation of Powers in case of ambiguity. However, the final authority of interpretation shall rest with the Governance Committee.

2 Authority Levels

The following authority levels shall be in place for the purpose of the Delegation of Power:

a) Chief Executive Officer (CEO)
b) Head of the Division/Projects/Unit

3 Definitions and Acronyms

a) BPSO	Bhutan Power system Operator.
b) CEO	Chief Executive Officer. The full time executive head of the organization appointed to manage the day-to-day affairs of the organization.
c) Competent Authority:	An authority who has the power to exercise or to discharges any duty or function under this Procurement Manual and/ or under the Delegation of Powers (DoP) of the office.
d) DoP	(Delegation of Power) A set of authority delegated to various positions in the office as approved by the GC of the office.
e) HoD	Head of Division/Project/Unit
f) GC	Governance Committee
g) EO	Extraordinary – refers to the nature of power
h) FP	Full Power – refers to the nature of power
i) NA	Not Applicable
j) O	Ordinary – refers to the nature of power
k) RP	Restrictive Power

l) SRR BPSO Service Rules & Regulation

4 Institution of Committees

In keeping with good organizational practices and/or in adherence to existing rules and guidelines issued by relevant authorities, including the GC, BPSO shall form relevant committees to meet various functional purposes. Examples of such committees are as follows:

a) Procurement Committee
b) Asset Disposal Committee
c) HR Committee, which may function as recruitment committee, performance evaluation and review committee, promotion committee and disciplinary committee as required.

5 General Provisions

a) The financial powers shall be classified as Ordinary (O), Extraordinary (EO), and Full Powers (FP) to specific level of authority only.
b) Ordinary powers are those, which can be delegated to subordinated officers.
c) Extraordinary powers are those which cannot be delegated to subordinate officials.
d) Full powers shall mean powers delegated to the specific level of authority and such power shall not exceed the powers delegated to the CEO.
e) Powers assigned to a particular position may be delegated to a subordinate officer only through explicit written orders, which shall clearly mention, among others, the nature of power delegated, position of the sub-ordinate to whom delegated and the duration of delegation.
f) A subordinate officer officiating in a vacant post of a higher rank may exercise the extraordinary powers prescribed for the higher post only under a specific order/approval issued by an authority competent enough to appoint persons in the higher post.
g) Powers delegated to a subordinate officer shall not be delegated further by the subordinate officer without first obtaining the written approval from the original authority.
h) The powers delegated to a position at a lower level can be exercised by a position above his/her level.
i) Wherever a financial limit has been prescribed, it shall mean up to and including that amount.

j) The total financial implication of a case shall be considered as a whole for determining the level of officer that can exercise the powers to sanction or approve it.
k) Except for medical claims, the GC and the CEO shall be self-controlling officers in respect of their personal claims.
l) The delegation of power in respect to procurement of goods, works and consultancy services not specifically mentioned in the delegation of power, shall be as per the guidelines prescribed in the respective procurement manuals of BPSO.
m) On powers that rest with the GC, the chairperson under exigent circumstances is empowered to take decisions of behalf of the GC and put up the decision to the next GC meeting for rectification.
n) The GC may review and amend the DoP from time to time.

6 Financial Limits in the Delegation of Power

a. The financial limits of power delegated for the procurement of goods, works, and services in the DoP will first apply to the estimate/approximate cost. If the actual amount quoted by the lowest evaluated bidder exceeds the financial limit, the next higher authority's approval should be obtained.
b. The amounts used in defining the financial limits of power, particularly in the schedule of DoP, are in million Ngultrum unless otherwise indicated.

7 The Procurement Process

The Procurement Process shall start with the identification of the need to carry out procurement of Goods/Works/Services. Thereafter, appropriate budgetary provisions shall be made and the required budget must be approved before any procurement activity is initiated.

7.1 Centralization of Procurement

a) GOODS:

Procurement of Goods shall be carried out centrally by Procurement and Asset Management Officer through the purchase requisition generated from ERPNext. In case of urgency, concerned officer may procure after obtaining necessary approval as per DoP Sl. No 10.1 (a, b, and c).

b) WORKS/CONSULTANCY SERVICES:

In the case of Works/Services, depending on either the value or nature of work, concerned division shall design, prepare drawings and frame estimates. The Procurement and Asset Management officer shall prepare the bidding document and tender the work till the work is awarded as per DoP.

Work shall include Turnkey Projects. "Turnkey Project is one where one entity takes total responsibility for an engineering project, including design, manufacture, delivery and installation of Machinery/Equipment, or the design and execution of building or engineering works".

7.2 Budget

The Budget must be approved and the balance available, before any procurement activity can be initiated. In case of emergency or urgency/new requirements and any unbudgeted procurement has to be carried out as per the Delegation of Powers delegated under Sl. No. 10.1. (c).

Approved Annual Budget shall be administrative approval from the Competent Authority.

7.3 Requisition (For Goods)

Purchase Requisition (PR) shall be the primary document authorizing procurements of Goods. All necessary approvals as per DoP Sl. No. 10.1 should be obtain by the concerned officer. The PR should be raised through ERP by concerned officer.

Procurement & Asset Management officer shall initiate the Procurement in line with the PR generated.

A. **O&M Materials:** Concern user division shall maintain the required critical spares and refill the stock once the threshold level falls below certain limit which shall be defined by the Management.
B. **Plan Works / Project Works Materials:** For the procurement of material for planned/project works, concerned division shall raise and submit the stock requisition to the Procurement & Asset Management officer.
C. **Assets Purchase (movable assets):** For any movable asset purchases (Vehicles, uniforms, Tools & Plants, office equipment), concerned division shall raise and submit the requirement to the Procurement and Asset Management officer.
